

Please, please, please stop Sinclair Broadcast Group from abusing the free public airwaves!!

Our country is supposed to be free from this type of corporate power. Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But when large companies control the airwaves, greed and abuse steps in and we get less of what we need for our democracy. Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. I always believed this to be the FCC's obligation to prevent abuse not watch it happen and do nothing. Thank you for your time. Please address this issue!!
